Dear Parent(s)/Carer(s)

**Year 8 Ambition Nottingham - University of Nottingham Trip –
Wednesday 7 February 2018**

You may recall your child is enrolled in the Ambition Nottingham programme and has the opportunity to attend the University of Nottingham for the day on Wednesday 7 February to engage in a series of events related to careers and higher education. This will provide them with an invaluable opportunity to interact with students from other schools, as well as those undertaking higher education.

We hope that days such as these will give your child a clearer view about the opportunities and potential future careers that are opened up by higher education, as well as allowing them to take part in fun and educational activities on the day.

The focus for this day is an important session exploring appropriate GCSE options as well as some academic sessions and a tour of the campus. Your child will then have the opportunity to learn about studying at university.

The event is from 9.15am to 2:30pm and students will be travelling to and from the venue by taxi mini bus. They will return to school in time for the end of the school day. Your child will need to bring a packed lunch with them, however if your child is in receipt of free school meals this will be provided for them by the school. They will need to wear their school uniform and there will be no further cost incurred to you for this trip.

You have already indicated that you are happy for your child to be part of the Ambition programme, however please complete the reply slip below to confirm your consent for them to attend this trip and return it to the school office before Monday 5 February. If you have any further questions or issues, please do not hesitate to contact me directly.

Thank you for your continued support.

Yours faithfully
