

9 September 2020

Dear Parent(s)/Carer(s),

Art and Design Year 10 GCSE Voluntary Contribution

The theme for your child's GCSE Art lessons this year is 'Life Cycles' and we will be looking at a wide variety of techniques and using a range of materials. Your child will also be taking photographs.

In order to provide your child with high quality materials and photo paper we request a voluntary contribution of £10 per student towards the cost of these materials. This will also include an A3 sketchbook.

If your child is entitled to free school meals, then we ask for a reduced amount of £5.

We would be grateful if you could please make your contribution by ParentPay by Friday 2 October.

Thank you in anticipation of your support.

Yours faithfully,

Severine Wilken
Head of Art
