Dear Parent(s)/Carer(s),

Art and Design Year 11 GCSE Voluntary Contribution

This year your child will be completing their Art GCSE course, they will be developing their own ideas for the topic on 'Life Cycles' and they will be using a wide variety of techniques and a range of materials. Your child will also be taking photographs. After Christmas your child will be preparing for their final exam and all preparatory work will be mounted on black card to present to the examiner.

In order to provide your child with high quality materials and printing costs we request a voluntary contribution of £10 towards the cost of these materials.

If your child is entitled to free school meals, then we ask for a reduced amount of £5.

We would be grateful if you could please make your contribution by ParentPay by **Friday 2 October**.

Thank you in anticipation of your support.

Yours faithfully,

Severine Wilken
Head of Art
