

3 May 2017

Dear Parent(s)/Carer(s)

In light of student and teacher feedback, we have recently revised our homework policy. The main change has been the amendment to the homework timetables for each year group. Each student has been given a copy of the new homework timetable and copies can also be found on the school's website - <http://www.nottinghamfreeschool.co.uk/page.php?p=homework>.

All homework should also be logged on INSIGHT. Please continue to check and sign your son/daughters planner.

As always, if you have any questions regarding the recent changes, please do not hesitate to contact me.

Yours faithfully

Mrs E. Howard
Assistant Head of School
