Dear Parent(s)/Carer(s),

Year 8 Options Evening – Tuesday 7 March, 6.30pm

On Tuesday 7 March, at 6.30pm we will be holding our year 8 options evening. The evening will allow you and your child time to consider the options process itself and also to discuss specific option subjects with staff. As this is such an important decision, we believe that the opportunity to discuss course content with departmental staff will assist students tremendously.

After a short presentation in the main hall, you will be able to visit up to 6 different subject areas of your choice to listen to a short subject presentation followed by the chance to ask questions.

This term in school we have also dedicated some PSHCE lessons for students to discuss and consider the options available and how to make good decisions. During their PSHCE lessons, each student will receive an option information booklet; please take some time to read through this and discuss the option choices with your child. It is very useful to bring this to the evening event; the booklet is also available on the school website;
