

22 March 2016

Dear Parent(s)/Carer(s),

As you may be aware from the options information, we are not running French as a GCSE subject next year due to low demand. As a result of this, all language lessons will be returning to Spanish after Easter. Whilst we appreciate that this reduces the breadth of language study for the remainder of the year, we need to maximise the time spent on the language that all students will be continuing with at GCSE.

French is being offered as an extra-curricular option after Easter for those students who wish to continue with French conversation and learning about the country and culture.

If you have any further questions, please do not hesitate to contact your child's language teacher in the first instance.

Yours faithfully,

Mrs J Brown
Head of School
