FREE SCHOOL

Dear Parent(s)/Carer(s),

As you may be aware, our students use iPads as a learning tool in many of their lessons and it is our intention for them to take responsibility of their own iPad with a view to using it for independent tasks at home as well as during lessons. We are going to be giving your child their own iPad shortly and with your permission they will be allowed to take it home and will be responsible for having it fully charged and available in all of their lessons every day. In providing your child with an iPad we will require a refundable £30 deposit. This will only be refunded if the iPad is returned undamaged at the end of their time here at Nottingham Free School.

The vast majority of our students treat their iPad with great care and responsibility, however if you have any concerns about your child bringing their iPad home please indicate this by ticking the relevant box on the reply slip.

We appreciate this is a valuable piece of equipment which has internet access and we have taken very important steps to promote relevant safety issues with the students. Attached to this letter is a 'frequently asked questions' sheet which may answer some of the concerns and questions you may have but please do not hesitate to contact us via your child's tutor or on [contact@nottinghamfreeschool.co.uk](mailto:contact@nottinghamfreeschool.co.uk) if you have any further queries.

Please can you complete the reply slip overleaf confirming your permission for allowing your child to take their iPad home.

The iPad comes in a heavy duty hard casing, which offers protection, and also a key pad and the iPad must remain in this at all times, however you may wish to purchase an additional padded cover or case as further protection. Your child will also be issued with a charger and plug which they will be responsible for.

Thank you for your continued support.

Yours faithfully
