

Logging into the Student Portal for the first time - with invitation code

Students would go to the following web address and press **Redeem Invitation Code** – <https://www.bromcomvle.com/>

The screenshot shows the Student Portal login interface. At the top, there are two red icons of a boy and a girl, followed by the text "Student Portal" in red. Below this is a blue button labeled "STUDENT LOGIN". Underneath are three input fields: "School ID" with a keypad icon, "Username" with a person icon, and "Password" with a lock icon. A checkbox labeled "Remember School ID and Username" is present. Below the checkbox are two links: "Forgotten Login Details?" and "Redeem Invitation Code?". The "Redeem Invitation Code?" link is highlighted with a red rectangular box. At the bottom, there is a blue "Login" button and two "Single Sign-On Providers" buttons: "Login with Google Account" and "Login with Microsoft Account".

This will redirect them to the following page – <https://www.bromcomvle.com/Auth/RedeemInvitationCode>

Setup Account

Note: When creating the Password, it must contain all of the following.

— Password must have
8 or more characters
1 uppercase character
1 numeric character
1 special character
1 lowercase character

A weak example would be Password1\$

A strong example would be PaS5W0rd_\$

Once an **Email** and strong **Password** are entered, press **Setup Account**.

The screenshot shows the 'Student Portal' interface. At the top left, there are two red robot icons. To their right, the text 'Student Portal' is displayed in a bold red font. Below this, a blue button with the text 'SETUP ACCOUNT DETAILS' is centered. Underneath the button, the text 'Hi, Bromcom Testing' is displayed. There are four input fields arranged vertically. The first two fields contain the email address 'testing@bromcom123.com' and each has an envelope icon to its right. The last two fields contain a series of dots representing a password and each has a padlock icon to its right. At the bottom of the form, there is a large blue button with the text 'Setup Account'.

The Student should then receive a success message stating that the Account was successfully created.

They would then press **Back to Login**.
